Cancellation & No-Show Policy

It is the policy of TUN Health Center that patients arrive on time for their scheduled appointments. In the event that a patient is unable to make their scheduled appointment the patient must give 24 hours advance notice to the receptionist by calling (702)777-4809. If you are unable to give 24 hours advance notice a $25 fee may be assessed for each no-show which will be billed directly to the patient and due prior to the patient being seen for their next appointment.

It is the patient’s responsibility to arrive 30 minutes prior to their appointment time. If an existing patient is more than 10 minutes late for their appointment time, the patient may not be treated that day and may have to reschedule. If the patient is treated they will be worked in between other patients that have arrived in accordance with their appointment time.

A patient who fails to keep 3 or more appointments in a twelve-month period- without prior notice of cancellation-may be discharged from TUN Health center at the discretion of the patient’s physician.

By signing below I attest that I have read and understand the above Cancellation & No-Show policy. I have been provided a copy of this document for my records
